PAYMENT TERMS - Revised Payment Terms as per Corrigendum 3 dated 18-April-2022 at Annexure I.	Payment Milestone # 3 “Commencement of training and release of 1st log-in for the total training target”	This has to be dependent on release of the first login from SAP and shouldn't depend on release of all logins of total training target.  If this is dependent and restricted to release of total target or dependent on actual no.'s released at one go then licence pricing will vary as its slab based and will cost Govt more	License for the total target may be procured by the Bidder at one go. MSSDS will release funds on pro-rata basis as per the number of first login released to the candidates on a monthly basis.
	Payment Milestone # 5 “Completion of at least two job interviews for total training target”	As mentioned earlier as well the completion of 2 Job Interviews has to be for the Certified candidates only it can't be for the total training target. Kindly modify as the ones who don't clear Global Certification can't be assured of interview opportunities. Also if student doesn't appear for an interview opportunity given the same will be still counted under these 2 job interviews	Kindly refer to Corrigendum 4, dated 19-04-2022 that states “Payment will be on completion of at least two job interviews for all <b>certified trainees</b> but not less than the guaranteed placement percentage”.
